Family Health Network believes that reading is very important for children. Reading to children promotes creative thinking and language skills. It also provides much needed family time. Teaching children how to read helps them learn about new subjects, seek out information and expand their vocabulary. Most of all, reading is fun!

As one of our many extra benefits, we have created the FHN Children's Book Club for children 5-16 years old. Children earn special rewards for reading when they enroll in the book club and send FHN 3 book reports. They can receive rewards quarterly.

Book Club Special Rewards Children Can Earn:

- \$10 Target Gift Cards
- Reading Certificates
- Bookbags
- Featured in *Family Health News*

It's easy to join! Just complete and mail the attached form to Family Health Network. If you have more than one child you would like to enroll, please call FHN Member Services at 1-888-346-4968 and we will send you more forms.

FAMILY HEALTH NETWORK'S CHILDREN'S BOOK CLUB

A Special Reward for FHN Members Only!

Thank you for your interest in the Family Health Network's Children's Book Club; in order to assure we can process your reports, please follow these guidelines:

1. You **MUST** be a current member of Family Health Network.
2. Fill out the form completely, the recipient ID number should be the child's.
3. We **MUST** have the case holders' name (the adult responsible for the child).
4. There should be 3 book reports attached to this one form, please do not send book reports more often than once every 3 months (4 times a year).
5. Write your book reports as if you were giving it to your teacher at school. If you are in Kindergarten or first grade, you may write the title of the book and draw a picture of something that happened in the book.

6. We will send your \$10 Target Gift Card to the address on this form; make sure it is correct and complete.
